

## Ontario's safe at work initiative update

---

### Latest Statistics as of January 13 2010 from the Ministry of labour

- ◆ 660 Shops have been visited By Ontario inspectors
- ◆ 1,650 orders to comply have been issued to Collision Centers
- ◆ No Charges have been laid as per mandate to educate not Charge on first visit

## Top 5 Compliance orders written

---

1. Hoist inspections not completed
2. Post a copy of the act
3. No Material Safety Data Sheet ( MSDS)
4. MSDS not up to date
5. WHMIS training not in place

Many shops as a result of the Blitz inspection had follow up inspection and audits from other departments from the ministry on Labour and WSIB and the Ministry of Environment.

**Note:** *It's the intent of the Ministry of labour to Re inspect all shops again next year to follow up and ensure their first inspections and orders are followed up on. Infractions of the same nature as previously filed will be dealt with more severely and may result in charges and fines.*

*Please ask your Co-Auto sales rep if you need assistance with any compliance orders or if you would like an assessment of your facility we have partners that can handle anything from your hoist inspections to complete compliance programs .*
